

DAYTON  
PHOENIX  
GROUP

## awnings, mirrors & visors

### Our benefits are:

- OEM Supplier
- Years of field-proven reliability
- Simple installation
- Meets FRA requirements
- Several models to meet the industry's growing demand

Dayton-Phoenix products are engineered to move, and our full line of awnings, mirrors, visors, and windshield wings keep you seeing clearly and moving safely.

Dayton-Phoenix full-view and rear-view mirrors are all about reliability with features such as:

- Developed to ensure their ability to withstand the specific rigors of the locomotive environment. Result: Dependability at all times under all conditions.
- A complete product testing process before shipping. Result: Pre-proven performance for worry-free operation on the job.
